Re: Allegheny Musarium Project

Dear Ms. Reitingner:

Please let this correspondence serve as a letter of support by the Warren County Planning and Zoning Commission for the proposed Allegheny Musarium. This project is to be located along U.S. Route 6/62 in the Village of Starbrick, just west of the City of Warren.

The Commission recognizes the positive economic impact this project will have on the community, not only in terms of jobs created at the facility, but in new spin-off businesses that will develop as a result of an increase in visitors to the region.

This project has been determined to be consistent with the objectives of the Warren County Comprehensive Plan of 2005. It should also be noted that the project site is located in a "Future Growth Area", as identified by said plan. All support infrastructure is either on site or within easy reach.

Again, the Commission supports this project and wishes you success in securing the funding necessary complete and sustain the facility.

Sincerely,

A handwritten signature in dark ink, appearing to read "Daniel H. Glotz".

Daniel H. Glotz, Director
Warren County Planning & Zoning Commission

c.c. Allegheny Musarium Assoc.
